Publicity Conference

Documentary Film Recommended

A documentary film publicising Altona was the most important recommendation of a publicity advisory conference convened by the Altona Shire Council and held last week at the Civic Hall.

The approximate cost of \$10,000 to \$14,000 could be a shire charge, though this point was not clarified.

Present at the conference were representatives of the following—

INDUSTRY.—Petroleum Refineries of Australia, Mauri Bros. & Thomson, R. J. Gilbertson Pty. Ltd., Australian Carbon Black, Altona Bus Lines;
LAND AND DEVELOPMENT AGENTS.—J. R. Buxton Pty. Ltd., L. C. Noordenne Pty. Ltd., G. Wimpey & Co. Pty. Ltd., Notla Estate, Slough's Estates, Broons Construction Pty. Ltd.;
BANKS.—Commonwealth, Bank of New South Wales, National, State Savings Bank;
ORGANISATIONS.—Chamber of Commerce, Western Industries Association, Apex, Rotary, Lions, Youth Club;

FILM COMPANIES.—Southern Films Pty. Ltd., Crawford Productions Pty. Ltd.
The conference was chaired by the principal of Altona North Technical School, Mr. W. R. Seamer.

In an opening address Cr. H. W. Lee presented a vista of Altona's prospects in the immediate and not so distant future.

With the development of the Truganina Explosives Reserve, Notla Estate and the old Laverton Estate, an area with a capacity of 5000 houses and 20,000 people will become available. New subdivisions in Altona North and the Noordenne Estate are also substantial.

Cr. Lee pointed out that these potential homesites alone could double Altona's population.

He said the shire engineer expects construction of all present private streets to be completed within 18 months and beautification of the Cherry Lake area would soon be commenced.

All signs pointed to Altona's development outstripping other municipalities commented Cr. Lee.

He thought there were possibilities in producing an Altona documentary film to sell Altona on television and in theatres.

In the general discussion that followed, ways and means of attracting people to Altona and of making Altona a place where people would want to come and live were voiced.

Mr. Murphy, representing Sir Bernard Evans, who has an interest in the Notla Estate, said Altona's progress was basically dependant on industry. Houses must and would follow.

He was not supported by Mr. Nolan, of Slough's Estates, who said houses first, factories next.

Mr. Jenkins, of Buxton's Estate Agency, said in effect: "Sell Altona."

There was definite concern over cost of the proposed film and how it would be met.

These points were raised by Mr. Gilbertson, Mr. A. Tyrrell of the Chamber of Commerce, and Mr. H. Weaver representing Apex.

Cr. Lee stated that three firms would be asked to submit ideas

and possible costs in producing a film.

He said the cost of the film which could not be produced before next financial year would be partly borne by the council.

Mr. Val Stewart, of Crawford Productions, made an extremely tentative estimate of \$12,000-\$14,000 for a 35mm colour film or \$10,000-\$12,000 for a 16mm colour film.

The film companies then outlined the different style of documentaries available. They could be made for theatres of television.

Motions finally agreed to were—

"That this conference agrees to support in principle, and advise the Altona Shire Council in its efforts to publicise Altona."

"We recommend that the usual forms of publicity be pursued by the council and that a documentary be used as an endeavour to present our publicity campaign."

"That this meeting recommends that this film be an all-embracing documentary of 30 minutes maximum."

"That the next meeting of this conference be convened to view the work of interested film companies that will be invited to offer their service, consider their quotes and make a recommendation to the council that a particular company be given the job of making this documentary film."

EASTER EDITION OF THE "STAR"

The pre-Easter edition of the "Altona Star" will be published on Wednesday morning of next week, March 22.

To ensure insertion all copy and advertising material should be forwarded to the "Star" offices a day earlier than usual.

PREMIER OPENS HOECHST PLANT

The Premier of Victoria, Sir Henry Bolte, visited the Altona Petrochemical Complex yesterday afternoon.

He officially opened the new polyethylene plant of Hoechst Chemicals (Australia) Limited, which has been established in Kororoit Creek Road, Altona.

On Tuesday, Mr. Wolfgang Thies, a member of the German parent company, Farbwerke Hoechst AG, revealed the company plans to expand the capacity of the recently commissioned \$10,000,000 Altona plant. Present capacity of 12,000 tons a year will eventually be raised to 18,000 tons.

ANSWERS GIVEN ON CARBON BLACK

Most of the Australian Carbon Black Plant was established prior to the 1961 Clean Air Regulations and therefore only a limited amount of the plant designed and built after this date was approved by the Commission of Public Health.

This was the answer Cr. J. J. Gimifer, MP, received to a question he directed in parliament to the Minister of Health.

The emission limit set down in the regulations would permit a discharge of 0.2 grains/normal cubic foot.

Officers of the Clean Air Section have carefully examined complete relevant plans and the specifications of the approved units prior to issue of the Commission's approval. Engineering calculations indicate that an emission level approximating one-tenth of the legal limit would result from the approved plant.

Flashing Lights at Last

Work has commenced on the installation of flashing lights at the Pier Street level crossing and a signal system for Altona trains.

The signals being erected at both ends of Altona station will be controlled from Newport.

Incoming trains will automatically start the flashing lights but on departure the lights will be manually operated.

Emissions from the approved plant, i.e., the Purge filter, Process filter and the Air Heater total 762,000 cubic feet per hour of gaseous material.

HARRY KIM RETIRES FROM BENCH

Mr. Harry Kim has resigned as a Magistrate.

He announced his retirement at the Williamstown Court where he has served in this capacity for the last 12 years.

In his long service Mr. Kim has acted on the bench at Footscray, Ballan and elsewhere. On one occasion he was in an official capacity at Russell Street.

Mr. Kim of course still retains and values his title of Justice of the Peace.

After Mr. Kim had announced his retirement, fitting remarks were made by Mr. Keane, SM. He was supported by other sitting J'sP, representatives of the legal profession, ministers' fraternal and others.

Parliamentarians To Visit Altona

Altona is to be visited by two of its parliamentary representatives next week. Both are coming to Altona for the purpose of discussing problems with residents of their electorates.

● Cr. ALEX KNIGHT.

The Hon. Cr. Alex Knight, MLC, will be at the Homestead, 128 Queen Street, Altona on Monday, March 20, from 2 till 5 p.m.

Cr. Knight represents the Melbourne West Province in the Victorian Legislative Council and is a member of the Australian Labor Party.

● Mr. MERV LEE.

Mr. Merv Lee, MHR, will also be at the Homestead, but he will attend on Tuesday, March 21, from 3 till 6 p.m.

Mr. Lee was elected to the House of Representatives in the Federal electorate of Lalor last year. He is a member of the Liberal Party.

STUDENTS CHEER SWIMMERS

Boys and girls from Altona High School urge along a swimmer competing in the Inter-House Sports held last week at the Werribee Swimming Pool. Full results of both local high schools' swimming sports are published on Page 9.

"ANGELS UNAWARES"

"Angels Unawares," the Passion Play being presented next week at the P.R.A. (Refinery) Auditorium is creating much interest among the people of Altona.

The play is not a Biblical type of passion play on medieval lines but a contemporary presentation in line with modern trends.

The presentation is being supported by the combined churches of Altona.

Performers will be mainly senior members of the Altona Drama Group under the direction of producer Sue Nette.

Major roles are played by Ossie Nette, Margaret Barrow and Cheryl March. Cast in supporting roles are Reg Featherby, Les King and Richard Ross.

Proceeds from the performance will go to the Altona District Hospital.

Tickets at 50 cents each are available from Altona Toyland, 57 Pier Street, and from all churches.

EDITORIAL

AIR POLLUTION

The proposal to form a special air pollution committee is good.

Such a committee will have no executive or direct legislative powers but its recommendations will have much effective weight. Even if the committee becomes not more than a clearing house for complaints on air pollution it will have been worthwhile. We believe it will do far more.

We believe also that the committee will be one of the two effective means of combating air pollution. The other is the personal report to council officers while the offence is occurring. Unfortunately by accident or design many noxious effluents are nocturnal.

Nothing in the suggested new committee plan should do anything to make such reports less necessary. In fact they should become more important.

As well, of course, the committee will have available records of the dust meters in various localities. The first notice of an insidious intrusion could come from here.

The problem is not an easy one. Air pollution has many sources, some effects may originate outside the shire.

There is no doubt, however, that Altona should do all it can to see its own house in order.

More than anything this is a problem that calls for co-operation, active co-operation, between the council, citizens, science and industry.

Soccer Teams
in Cup Finals

After two hard fought weekends of soccer, Altona's three entries in the competition are still going strong and each have the chance of winning medals, plus the coveted trophies.

Altona played Albion Rovers and here was a spine tingling game full of incidents.

From the kick-off the Maroons swung into attack and the Albion boys had to be on their toes to stop the locals from scoring. Barry Stevens put in a drive which missed. Stan Kovacs hit the post with a well placed lob. The same player crossed a beauty and in raced "Professor" Wilkie, but his shot went outside the post.

Steve Herman was next to miss. He blazed in a good shot, but the Albion goalkeeper turned it round the post in great style and just when it looked like one of those days when Altona could not score, up bobbed Billy Coles, racing in from the wing, he fastened on to a pass from Wilkie and wham!—the Maroons were one up.

Albion were coming more in to the game. Stuart Parry in at left back was defending well. Mario Grecco was a rock at centre half and ably backed up by Graig Copley, they were well and truly on top so much so that Milloy and Bolish, the half backs, were able to move upfield in support of their forwards, but the half time whistle went without any further score.

The second half was good, with Albion putting on the pressure, but Zammit rose to great heights with two great saves.

As if to say "thank-you," away raced Coles. Cutting in he passed to Barry Stevens and with a flick of his right foot there was the ball lying snugly in the back of the net and Altona was two up.

Albion went flat out. Time after time they attacked, but Copley and Perry were unpassable. Grecco had the middle under control and his scissor kick in mid-air brought the "house down." Eventually Albion scored a well deserved goal.

Jim Bolish started to take command for Altona. A 40-yard pass found Stevens on the wing. He cut in and bang! It was 3-1.

The Albion players were now rattled. Herman opened up to Wilkie and crash! It was 4-1.

Two minutes from time Herman scored to make it 5-1. Albion played better than the 5-1 score suggests.

Altona now go into the final next Saturday where they play Sunshine City.

UNDER 14

Again the little people pulled it off against "giants." With superior play and courage they won their way through to the final.

A crowd turned up to see this game and for sure they will be back on Saturday to see Altona play JUST.

Ardeer underestimated the diminutive Maroons. Hughes and Collins showed them how to play and Garry Reardon gave them a lesson goal scoring. Their team mates followed the example and it was exit Ardeer to the tune of 5-1.

UNDER 12

In the Under 12's Altona defeated Newport. They now play Sunshine in Saturday's final.

Altona Camera Club Winners

For his print of the "Shire Office by Night," Bill Gunn of 25 Blyth Street, Altona scooped first prize in the Shire sponsored competition for a scene of Altona. The prints, the work of Club members have been on display in the Queen Street Library for the past month.

Judges of the display on Friday, March 10 were Councillors Lee and Fisher. Bills prize is an engraved Silver Salver, and is his first photographic prize which is not surprising since he only took up the hobby six months ago when he joined the club.

Second prize was taken by secretary Ray Clarke, of 15 Sussex Street, Seaholme, and third prize went to Bob Hawkins of 15 Jennings Street, Laverton.

Certificates of Merit were awarded to Messrs. J. Merrills, R. Clarke, R. Hawkins and to ensure the lady members have as much chance Miss E. Gunn was up there among the Certificate winners with her print of Altona Station.

The club wish to place on record its thanks to the Shire Council for its support towards this competition for both the donation of the prizes and its interest in a fast up and coming community organisation.

Thanks also are due to Mr. L. James of the Library for his behind the scenes efforts to making the display public.

To members of the public with a camera, but who feel they are outright beginners we extend an invitation to join the club and develop their photographic talents, with an opportunity to take part in competitions similar to the above.

Official presentations of prizes and certificates will be made by the Council on Monday, March 20, at the Shire Offices.

A discussion and talk on Close-up Photography, under the guidance of President Jim Merrills, was held on Friday, March 10 which we believe will lead to some spectacular close-up work appearing at future club nights.

A further aspect of the hobby was put into practice on Wednesday, March 7 when an expedition of members went into the city to photograph the city by night.

The next Club Meeting scheduled for Friday, March 31, at 7-15 p.m. will be an illustrated talk on the why and wherefores of "Wedding Photography" to be given by Bob Hawkins.

CANBERRA DIARY
I must say I have had an extremely
busy week. As I am not yet quite clear of
my business commitments, I had to spend
Monday morning on this activity.
In the afternoon I attended to some electoral
correspondence, and then off to a meeting at Glen-
roy at night.

TUESDAY, FEBRUARY 28
More work at the office at
Oak Park. In the afternoon I
had arranged to take delivery
of the last of six crana-shovels
at Campbellfield on behalf of
the Minister for the Army; then
an interview at the office and
a call at Niddrie concerning
aircraft noise before 'catching
the plane to Canberra for the
evening session of Parliament.

WEDNESDAY, MARCH 1
Attended to mail which had
accumulated in Canberra. In
the afternoon in response to in-
terest shown by Mr. Julian
Doyle and others, I asked the
Post Master General a question
concerning an Automatic Tele-
phone Service for Werribee. I
was able to find out that a new
building would be erected for
an automatic exchange in about
two years time—after the erec-
tion of the new Post Office.

During the dinner break I
attended a meeting of the Gov-
ernment Committee on National
Development. We discussed the
Committee's role in the business
of the new Parliament. I then
viewed a short film of the dev-
astation caused by the recent
disastrous fires in Tasmania.
What a frightful experience
these people have been through.

During the evening the House
debated proposals for a refer-
endum concerning electoral re-
form and the social conditions
of Aborigines. Interesting spee-
ches followed by the Prime
Minister, the Leader of the
Opposition and Mr. Anthony, the
Minister for the Interior. The
house sat until almost midnight
so it was a very full day.

THURSDAY, MARCH 2
Many new members were to
make their maiden speeches on
this day. Don Jessop, the new
Member for Grey in South Aus-
tralia was first and gave mem-
bers an excellent description of
his electorate which covers a-
bout 80% of the whole area of
Blunders ranges and the Woom-
era Rocket Range.

This evening members and
officials gathered for an infor-
mal buffet dinner in honour of
H.R.H. the Duke of Edinburgh.
Whilst speaking with the Mem-
ber for Corangamite, Mr. Tony
Street, the Prime Minister called
us over to meet the Duke. I
didn't envy the Prime Minis-
ter's job of remembering the
names of most of the people in
this large room.

Till next week,
MERV LEE.

S.S.B. BURSARY AWARDS

Christopher Snowling of Altona
was among a large list of bur-
sary awards announced last
week by The State Savings Bank
of Victoria.

Christopher, a pupil at Altona
High School, was awarded an
extension of an existing bursary.

Bursaries, worth a total of
\$12,000, were awarded to over
130 students.

The awards were announced by
the Chairman of the Board of
Trustees, Mr. W. L. Moss, a
Commissioner of the State Sav-
ings Bank.

Other members of the Board
were Mr. F. H. Brooks, the
Director of Education and Emer-
itus Professor G. S. Browne,
former Professor of Education
at Melbourne University.

In addition to the bursaries to
school children, the Bank as-
sisted student teachers at both
state and private training col-
leges by providing annual grants
for either equipment or for
bursaries.

Altona Cub Pack

Due to general re-organising
of the 3rd Altona Cub Pack for
1967, it has been decided to re-
vise the waiting list which has
been closed for some time.

Change of address and loss of
interest after a long wait have
caused Scouters unnecessary
work on more than one occasion.
It is felt, therefore, that if
the list is re-opened, boys who
are still genuinely interested can
take advantage of relisting their
names together with lads who
have made inquiries since the
list has been closed.

Parents, mail your boy's name,
address and age to Mrs. T.
Chapman, 257 Blackshaws Rd.,
Altona North, who will then ad-
vise you further regarding the
waiting period involved.

On Saturday, March 11, there
will be a mystery hike. Cubs
are requested to meet at the
Newport station between 11.30
and 11.45 a.m. Don't forget to
bring along a cut lunch.

ADVENTURE FOR BOYS

The 15th Melbourne Boys' Bri-
gade recommenced activities a
fortnight ago when over 30 un-
iformed members attended the
opening parade at the Baptist
Hall.

Activities for this year include
wayfaring, camping, gymnasium,
home mechanics, first-aid, art,
photography, arts and crafts,
band practice and drill.

The home mechanics squad is
building its own slot car track
while the wayfarers are plann-
ing hikes and camps.

Saturday outings for the photo
graphy-art groups include trips
to the RAAF Base, Zoo, museum
and Port Melbourne Pier.

The Boys' Brigade operates
every Friday night in the Bat-
tist Hall at 7.15 p.m.

Altona Youth Club

Basketball has resumed on
Wednesdays, commencing at 8.30
p.m. at the Altona Youth Club
Hall in Civic Parade.

Senior boys and girls com-
mence on a competitive basis
from this week.

It is hoped to have the out-
side court fenced and equipped
for night play in the near future.

Weight training has been in-
troduced at the club under a
competant instructor, Mr. Bert
Burgess.

Bulldog Skindiving Club

Recently the club held an
aggregate at Portsea where
conditions for spearing were
not good.

A fast current was running
and the fish were scarce for
everyone except Terry Wilson
who speared 5 Butter-fish up to
5½ lb. each, a Blue Parrot
fish, Moonlighter, and a Red
Mullet.

The pairs and teams events
were also held, the outcome of
which will be known next meet-
ing.

Rod Caswell a new member
on the boat dive speared a 9 lb.
Butter fish which won him a
trip to King Island, the competi-
tion being run by Hartleys
Sports Stores.

Any person wishing to join
the club should contact George
Gardiner, 40 Dudley Street Foots-
cray. Phone: 68-3949.

Seaholme Primary School head
teacher, Mr. G. Howard, has
forwarded a cheque for \$28.89

fund to the Tasmanian Bush Fire
Relief Fund.

Included in that total were
the proceeds of a stall organised
last Friday by Grade VI, girls
and a concert held at the house
of Kerryne Mussared, of Grade
V.A.

CRICKET
On February 24, Werribee
visited Seaholme and were de-
feated by the home team. Wer-
ribee batted first and were dis-
missed for 46 as a result of
good bowling by T. Paone (4/26)

up by great wicketkeeping by
G. Crofts.

Seaholme replied with 5/69 with
some strong batting by T. Paone
(20), N. Little (16 n.o.) and
Graeme Crofts, a hard hitting

anne Saunders, who batted and

Webb, playing at first base and

Resolution of School Organisations

The following resolution was
carried by the Executive Com-
mittee of the Victorian Council
of School Organisations on Feb-
ruary 20, 1967—

"That this Executive Com-
mittee of VICCSO congratulates the
Sebastopol Borough Council on
the positive action taken to pro-
vide adequate adult supervision
of children using school cross-
ings.

"We deplore the reported state-
ment of the Chairman of the
Traffic Commission, Mr. J. D.
Thorpe ("Sun," 17/2/67), that
employment of adult supervisors
of children's crossings 'would
not be worth the effort as there
are only about 10 or 12 accidents
a year on school crossings in
Victorian and there are about
1400 crossings'.

"We emphatically reject any
suggestion that the lives and
welfare of school children can
be measured in terms of money
and call on the Traffic Commis-
sion to again review the present
unsatisfactory conditions under
which children of school age use
road crossings.

New Post Office Planned

A new post office is planned
for Werribee but it will be two
years before work commences on
a building to house the new au-
tomatic telephone exchange.

The matter was raised in the
Federal Parliament by Mr. Merv
Lee, the new Member for Lalor.
He asked the Postmaster-
General if there were any plans
to provide an automatic exchange
within the new post office build-
ing to be erected. He pointed
out the growth of the area and
its location between the large
centres of Melbourne and Gee-
long.

Mr. Hülme replied that it is
the Department's intention to
erect a new post office, but it
would not house the exchange
which will be placed in another
building to be commenced in

Altona Life Savers Second in Championships

The Melbourne and Suburban Beaches Association Championships were held at Albert Park on Sunday and resulted in a very exciting tussle between Altona and South Melbourne for the aggregate championship.

With two events remaining, Altona trailed by only one point, but South Melbourne took first placings in both these events and ran out winners by 83 points to Altona's 72.

Five teams competed in the March Past; Altona, South Melbourne, St. Kilda, Esplanade and the Victoria Police. Altona were adjudged the winners.

The carnival was opened by Mrs. A. Kennedy, president of the MSBA, who made an appeal to young spectators to become members of the Albert Park Club which was in urgent need of recruits. She wished all competitors the best of luck during the afternoon.

There were 25 events on the program and Altona gained six firsts, seven seconds and six thirds. No team was entered in the Junior Girls' Reel, Line and Resuscitation and it was unfortunate that the Junior Boys were one short to enter this event as South gained a walk-over. A possible win here could have given Altona the aggregate championship.

On the day, the girls proved most successful, but all members are to be congratulated for their great efforts.

MOST SUCCESSFUL

Sandra Butters gained most successes in the individual events with two firsts and one second. Reg Swarbrick gained two seconds; Barbara Allen a second and third; Aileen Hudson a first; Kristine Harley and Col Mellett a second each, John McQuarrie a second and Ian McCulloch a third.

Complete results were—

March Past: 1st Altona; The Women's Reel, Line and Resuscitation: 1st Altona; Women's Flag Relay: 1st Altona; Girls' Under 18 Swimwade: 1st S. Butters; Girls' Under 16 Swimwade: 1st A. Hudson; 2nd K. Harley; Girls' Under 14 Single Handed Rescue: 1st S. Butters and A. Hudson; Women's Single Handed Rescue: 2nd B. Allen and K. Harley; Men's Alarm Belt: 2nd R. Swarbrick; Women's Alarm Belt: 2nd S. Butters; Boys' Under 18 Single Handed Rescue: 2nd J. McQuarrie and D. McCulloch; 3rd I. McCulloch and C.

Mellett; Men's Single Handed Rescue: 3rd R. Swarbrick and C. Cotter; Boys' Under 16 Swimwade: 2nd C. Mellett; Women's Open Swimwade: 3rd B. Allen; Men's Flag Relay: 2nd Altona; Men's Belt and Reel Race: 3rd P. Stokes and R. McDonald; Chariot Race: 3rd Altona; Men's R.L. & R.: 3rd Altona.

Final placings in the aggregate championship were—

South Melbourne 83 points, Altona 72, St. Kilda 54, Esplanade 44, Williamstown 15, Victoria Police 6.

It is worthy of mention that Lauris Miller was the sole representative for Williamstown and she gained 15 points by winning the Women's Open Swimwade, Women's Alarm Belt and the Women's Single Handed Rescue.

PRESENTATION NIGHT

Owing to difficulty in obtaining a suitable band, the presentation night will now be held on Saturday, May 6, instead of April 29.

The club gratefully acknowledges a trophy donation from the National Self-Service of Pier Street. Also the donation of an Easter Basket from Sarros Bros., of Pier Street.

GENERAL MEETING

The next general meeting will be held on Tuesday, March 21, commencing at 7.30 p.m.

School For Handicapped Next Year?

Consideration will be given to the inclusion of a school for deaf children in the western suburbs when the 1967-68 building program is being compiled.

Cr. J. J. Ginifer, MP, received this reply when he asked in the the government has for providing Legislative Assembly what plans for a school for deaf and dumb children in the western suburbs of Melbourne.

Altona Guides and Brownies

All Companies are working well after the Christmas break. Mrs. Allen of the 1st Altona Coy. is now in the final stages of applying for her warrant as Lieutenant of that company.

Mrs. Killingback and Mrs. Neyland of the 1st Altona Brownie Pack are now attending their pre-warrant training on Wednesday evenings at Guide Headquarters. Mrs. Neyland passed her tenderfoot and was enrolled as a Guide.

Amber Inglis who has been helping Mrs. Garde with the 2nd Altona Pack has now passed her tenderfoot Test and will be enrolled as a Guide and a Guider recruit in training until this time next year when she will be eligible to apply for pre-warrant training.

The Thinking Day Ceremony was held at Werribee Guide Hall this year. This was the first time that the new Division had met as such under the Leadership of our new Division Commissioner, Mrs. Morrall.

It looks as though the new Division will be called Altona-Werribee (Laverton being part of Werribee Shire).

We have a few requests from the Guiders. They require a notice board—about 4 foot by two foot and a flag pole that can be erected in front of the Guide Hall. If anyone can help will they please contact Mrs. Carruthers, 65-8795 or any of the Guiders.

The Guiders hope to buy a "World Flag" with their Cents for Service money refund this year, and it would be nice to be able to fly it on special days.

Guiders meetings will be held in the Hall in future as Mrs. Hatful's kitchen appears to be shrinking with the amount of Guiders we now have. Eleven all told. This month the meeting will be held on Thursday, March 16.

The District Scout and Guide Swimming Sports were held at Footscray Baths and were attended by both Guide Companies. No results are yet at hand.

The Guiders and Guiders helped Tasmanian Bush Fire Relief.

The papers are to be removed from the Hall on Sunday, March 26, at 9 a.m. Mr. McEwan insists that the Fathers come along and help for half an hour with the loading as last time there were only two Mothers there and it is too heavy a job for them. Please come and help, it is not a long job and means much to the girls and their Hall.

Thank you,

I. HARTLEY.

Altona High Staff Satisfactory

All subjects are adequately covered by experienced and trained teachers the Head Teacher, Mr. L. L. Treacey, told the 80 parents at the annual School Parents and Citizens Association.

He said the staff is very satisfactory and is better than in some of the larger schools. There is a staff of 30 for the 615 students enrolled.

Mr. Treacey revealed that the situation regarding no matriculation classes at the school will be reviewed at the end of first term. He pointed out that there are 25 more leaving students this year than in 1966.

Mr. Frank Cahill is the newly elected president of the school Parents and Citizens Association.

Other office bearers elected last week are—Vice-President Mr. N. Scott, Mr. W. McKinney; Secretary Mr. A. Simpson; Treasurer Mr. W. Haining.

Committee members are: Messrs Wright, Briscoe, Barnes, Grant Eaton, Swift, Armstrong, Findley, Wilson, Hyde and Mesdames Bonnett, Tyrell, Starbrook, Maxwell, Shields and Stanyer.

Meetings of the group are held on the first Monday of each month commencing at 8 p.m. and are open to all interested parents

New Police Station Still Uncertain

It is anticipated that the new police station at Altona North will be erected during the financial year 1968-69 but this is subject to the availability of funds.

This was the reply received by the Hon. A. W. Knight, MLC, to a question he asked in the Legislative Council.

He also inquired as to whether negotiations had been completed with regard to purchase of the land for the station.

Cr. Knight was informed that the Public Works Department has been requested to negotiate for the purchase of a suitable site.

Motor Boat Fees

Only Partly Used

Less than half the fees collected from motor boat registrations during the financial year of 1965-66 were actually spent on the provision of boat launching ramps and associated facilities.

This was revealed following a question in State Parliament by Cr. J. J. Ginifer, MP.

Fees for this period amounted to \$178,968.

Allocated for works during the year was the sum of \$108,970, but the amount actually spent was \$85,832.

"COLLEGE COULD

EASE SHORTAGE"

Shortage of infant mistresses and senior women assistants in primary schools in the electorate of Grant could be overcome by the establishment of a teachers' training college in the western metropolitan area said Cr. J. J. Ginifer, MP, in Parliament last week.

He named 10 schools without permanent infant mistresses—Altona North, Altona East, Altona West, Brooklyn, Seaholme, Sunvale, Albion, Braybrook, Laverton and Sunshine.

In addition, Cr. Ginifer pointed out that at six of those schools there is no senior woman assistant, which means that the junior teachers—teachers with only three or four years experience—are running the infant departments of schools with 500 or 600 pupils.

He considers a training college would, in the long term, overcome the problem.

It would encourage young people in the area to take training courses, status would be given schools where this training took place and some of the problems be solved.

Cr. Ginifer said there is an urgent necessity for one, and possibly two, additional primary teacher training colleges.

He revealed that within Victoria there are 104 schools which have no permanent infant mistress although he admitted there are teachers acting in the capacity.

Long term planning is required to alleviate the problem concluded Cr. Ginifer.

The Minister of Education, Mr. Bloomfield, asked if Cr. Ginifer would place his district before Gippsland.

Cr. Ginifer replied: "I would place my constituents before those of any electorate."

ELECTORAL ROLLS

CLOSE SOON

The Chief Electoral Officer, Mr. C. W. Phillips, announced today that electoral rolls for the State Parliamentary Elections to be held on April 29, would close on Tuesday, March 21.

Mr. Phillips said that all natural-born or naturalised subjects, and those who had resided in Australia for six months and in Victoria for three months and in any subdivision or at least one month immediately preceding the date of a person's claim for enrolment, provided they were 21 years of age or over, were entitled to enrolment.

He warned that enrolment was compulsory and the penalty for failure to enrol or transfer enrolment was up to \$4.

Mr. Phillips said that enrolment claim cards were available at all post offices and electoral registrar's offices.

ANSWERS WANTED ON ROUTE 9

The long delay by the Country Roads Board in revealing what effect the Route 9 approach to the Lower Yarra Crossing will have on nearby properties was recently criticised in parliament by the Hon. A. W. Knight, MLC.

He said: "I desire to raise a matter of urgency affecting constituents of the Melbourne West Province. It concerns the Lower Yarra Crossing, or Route 9 as it is commonly known. Earlier in the sitting, I received a reply from the Minister for Local Government to a question that I asked concerning properties affected by the crossing. I wish to criticise the Country Roads Board for its lackadaisical efforts in regard to Route 9. The Bill dealing with the Lower Yarra Crossing was dealt with by Parliament 12 months ago, but the people who may be effected do not know whether or not their houses are to be demolished. Last week, an announcement was made in the Press relating to tenders for the foundations of the crossing, and this caused further anxiety for the people in the western suburbs of my province. They are greatly perturbed, particularly in view of the rising prices of houses, to which a Minister adverted during the debate on a Bill this evening.

I urge the Minister for Local

Mantoux Testing and Vaccination

Mantoux tests for 3000 of Altona's secondary school pupils commenced yesterday, March 15. If their reactions are negative they will receive a vaccination injection.

These tests carried out at intervals in schools by the health department in association with the health inspector of the Altona Shire are so designed that at least once in their time at secondary school, pupils will have this examination.

The timetable applicable to local schools is as follows—
Wednesday and Friday, March 15 and 17: Altona North Tech., 9.15 a.m.

Monday and Wednesday, March 20 and 22: Altona High, 9.15 a.m.; St. Joseph's Girls' Secondary School, 1.30 p.m.

Tuesday and Thursday, March 21 and 23: Altona North High and St. Paul's College, 9.15 a.m.

Wednesday and Friday, March 29 and 31: Altona absentees, 2.30 p.m.

Government to impress on his colleagues the need for the Country Roads Board to "get out of its little box" and bring its plans for this area to fruition, so that people will know whether or not their houses are to be effected. I hope the Minister will be able to inform me later this week or early next week how many houses will be affected.

Cr. Crofts Asks Questions

The bay discharge of purified sewerage effluent, at present a matter of concern to beach suburbs, east of Melbourne, is also of much interest to Altona.

The effluent from the Altona treatment plant being established on the north side of Queen St. west of the golf links, will be discharged into the waters of Altona Bay.

At a recent Altona Council meeting Cr. W. L. J. Crofts asked some pertinent questions which he referred to Cr. J. J. Ginifer, Board of Works Commissioner. These related to the health aspect of the plans and also to the possibility of effluent having an encouraging effect on the growth of seaweed.

Cr. Crofts said that in view of the grave concern expressed by the Mayors of Chelsea, Brighton, Sandringham and Frankston about the effect of the purified effluent on nearby beaches he asked through the President, Cr. S. G. McIntosh, that the following questions be directed to the Commissioner Cr. J. J. Ginifer, M.P.

1. Does any danger exist to Altona beach when it is understood that the effluent from the Altona system will be discharged into the bay a quarter of a mile offshore where there is but 8 feet of water.

2. Does the Commissioner know of any tests (such as bacteria counts) being conducted or being planned prior to the effluent going into the bay.

3. Does the Commissioner know definitely whether the Health Department will be consulted regarding the plan.

4. As it is understood that the effluent from the Board of Works farm at Werribee promotes the growth of seaweed in that area what effect does the Commissioner consider the effluent of Altona sewage will have on the growth of seaweed off the beach at Altona.

Cr. Crofts suggested that in view of the complaints from the other side of the bay that Cr. Ginifer may care to comment on the overall proposed sewage effluent plan for Altona.

Cr. Ginifer replied that he felt there should be no danger from the purified effluent being discharged in to the bay.

The plant will be approved by the Health Department and regular bacteria counts will be taken before the effluent is discharged.

Cr. Ginifer said plans for the scheme have not been finalised and he has no knowledge of the effect of the effluent on seaweed growth.

FOOTBALLERS IN TRAINING

The Altona Football Club U. 18 side, which won the 1966 Western Suburban Football League U. 18 Premiership, will commence training at the Grant Reserve on Wednesday, March 15, at 4.30 p.m.

Training will be conducted under the supervision of Dick Buckingham, a strong contender for the position of coach left vacant by the retirement of Lou Thompson, who coached the 1966 premiership team.

Many of the U. 18 players have been training with the senior players and have benefited considerably from the experience.

The secretary of the Altona Club said today that although the 1966 premiership team was an unusually strong combination the club was looking for a number of new players to replace players graduating to the seniors. He requested that all new players attend training on March 15 and introduce themselves to Dick Buckingham.

YACHTING NEWS

At the general meeting of the Altona Yacht Club which was held on Friday, February 24, the building committee tabled a set of plans containing many improvements to club facilities including toilets and showers, a dance floor, more covered storage and a committee room.

The meeting accepted the proposals and work will start immediately.

The Heron Teams Race Trophy has once again eluded the A.Y.C. In the semi-final, Altona outpaced the Black Rock team but two Altona craft were disqualified. The next team will have to study their rule books and not leave themselves open to protest.

The club is pleased to see that the Department of the Army will have warning lights and marker bouys installed at the rifle range.

The Altona Council has invited two delegates to attend the Parks and Foreshore Committee Meeting to discuss the proposed boat ramp at Seaholme.

Victorian Hornet Championships

"Laphil" leads after winning the first two heats of the Victorian Hornet Championship.

The championships are being conducted at the Black Rock Yacht Club.

During both heats the wind exceeded 30 m.p.h. and the steep seas that built up gave crews many anxious moments.

"Laphil", E. Philipps and Les Laker, led the fleet from the start in the first heat, until a large wave washed both Ted and Les overboard.

"Shadow", John Andress and John Clark, managed to pass them but not for long.

"Laphil" finally won by 300 yards, with "Moonraker", Allan Owen and Kevin Marion second and Two Up, Tom Jones and Denise Philp third.

STILL NO MONEY FOR RAILWAY

Pressure of more urgent works on available loan funds is given as the reason for no date being set for the commencement of the Westons railway line extension from Altona station.

This was the reply given to a question asked in the Legislative Council by the Hon. A. W. Knight, M.L.C.

Cr. Knight asked when the Railways proposed to commence the work and when would it be completed.

A FEW SUMMER FLOWERING CLIMBERS

Now is an appropriate month to take note of a few summer flowering climbers. It is not the best time to plant them now.

But it is the time to see them in flower and take note on which ones you prefer for your garden. April and May would be the suitable months for planting.

There are many types of summer climbers to choose from, some evergreen and others deciduous. Each one suitable for a spot in your garden.

The TECOMA, one of the most attractive climbers in bloom now, is Tecoma Grandiflora, which produces large trusses of light golden flowers.

Although this plant has fairly thick, strong main stems, it is not a rampant grower, but should be cut back each winter. It is suitable to grow on trellis, fences, pergolas or even a dead tree trunk which you may need to cover.

THE CLEMATIS

The large flowering Jackman II produce flowers of exceptional beauty in shades of blue. This plant requires cooler climate, but is quite hardy and suitable for these districts, providing the roots are kept cool and moist in dry weather. Well rotted organic manure assists its growth.

MANDEVILLA

This climber flowers in late summer and early autumn, producing white sweetly-scented flowers. It favours a sheltered position which should not be too dark.

DUTCHMAN'S PIPE, a vigorous grower, needs strong support, quaint chocolate spotted flowers. Suits warm coastal climates.

HONEY SUCKLE, the pink and yellow variety, is the old favourite known for its perfume. A strong growing climber, it needs strong support.

THUNBERGIA, or **BLACK-EYED SUSAN**, are well known light climbers, which flower for long periods. Flowers are orange and black.

Remember, when planting out climbers, they eventually develop very deep and sometimes wide spreading roots, as well as needing ample space for "elbow room" above the ground.

These factors should be considered when planting climbers in a permanent position.

Most climbers are subject to the same pests and diseases as shrubs and trees. Scales, grubs, thrip and aphids trouble most of them at times, and standard sprays are recommended at times, white oil, DDT, etc.

BOWLING TEAM WINS SECTION

Last Saturday was the end of the home and home pennant matches and Altona No. 3 has won their section and will continue on in the semi-final and, it is hoped, the final.

The results of last Saturday's games are as follows--

Altona No. 1 113, defeated Richmond Union 80--

Whitmore, Probert, D. Nettleton and Monkhouse: 31-17. R. Douglas, Nielsen, Carton and J. Fisher: 34-22. Thorneycroft, Hill Watters and Malloy: 27-19. Stephens, Mitchell, Russell and Mather: 21-22.

Altona No. 2 115, defeated West Coburg No. 4 80--

H. Harris, Neal, Oliver and McDonald: 32-18. McNeilage, Franks, Williams and I. Douglas: 25-22. Miles, Gischus, Richardson and R. Don: 27-16. Siphthorpe, Roach, Inglis and Watson: 31-24.

Altona No. 3 189, defeated Brunswick No. 4 52.

The team was Webster, G. Harris, B. Harrison and Burke; O'Donnell, J. Cox, L. Cox and Flynn; Blair, McMahon, Condon and Deegan; Crofts, Andrews, Bromley and Walsh.

Altona No. 4 lost to Richmond Union No. 5 by 73.

The Altona team was as follows--Marshall, Brett, Snowden and Murphy; Sutton, R. Sevier, Pilcher and Nichols; Bougoure, Buckley, Woodcock and Ralph; G. Sevier, Kelly, Ashman and Eyre.

On Saturday night a Scots Night was held at the clubhouse and was very well attended.

Some 100 members, associates and friends were present. Mr. Jimmy Balantyne brought a number of Scottish dancers along and Mr. Angus McLean proudly carried in the haggis to the strains of the bagpipes so ably played by Mr. Ballantyne and friend.

Miss Ida Nicholls and Mrs. Mary Mather, both associates of the club, danced. Ida gave a

Scottish dance and Mary the Sword Dance. Many considered the night was one of the best entertainments of the year.

OPEN RINKS TOURNAMENT

Labour Day last Monday being a public holiday, the club held an Open Rinks tournament. Some 112 players were in attendance and played four games of 12 ends.

The winning rink was L. O'Donnell, D. Nettleton, T. Mitchell and R. Watson. The runners-up were A. Dosser, W. Leckie, G. Bush and E. Vickers, and the third prize winners were H. Blair, A. Dart, F. Nielsen and A. Malloy.

The club president, Mr. T. Burke, presented the trophies and thanked all players for their attendance and hoped they would have good health through the coming winter and be ready and fit for the next bowling season.

He thanked Mrs. Probert and her associates for the excellent lunch and afternoon tea which was so ably presented.

BASEBALL PRELIMINARY FINAL NEWPORT DOWN FOOTSCRAY

In a very close and exciting game last Sunday Newport came from behind to defeat Footscray in the Victorian Summer Baseball Association's preliminary final.

Footscray led 2-1 in the early stages of the game, but Newport's greater skill and experience enabled them to fight back and take the lead half way through the game.

Footscray scored two runs in the first innings when Col Martin hit safely to score Bruce Wills and Joe McNeany.

Harry Douglas, Newport's pitcher, hit to centrefield to score Barry Ockwell for Newport in the equalising part of the opening innings.

Both pitchers held batters down until the fourth innings when Newport scored five runs.

Tom Gray and Barry Cleary were walked, Ian Andrews hit to rightfield to score Gray, Terry Forrester walked and a safe hit by Ockwell and an outfield error by Footscray brought in four more runs for Newport to take the lead 6-2.

Footscray made the score 6-3 at the top of the fifth innings when A. Logan hit a threebagger and then came home on a catching error. Cleary was again given a walk by Footscray and came home on a series of in-field errors and Newport led 7-3 at the start of the sixth.

The score went to 7-5 when Footscray scored two in the top of the sixth and with another run crossing the plate in the seventh, Newport led 7-6 to be hotly pressed by Footscray.

However, Newport pitcher Harry Douglas pitched well to hold Footscray out in the eighth and ninth innings to take Newport into the grand final next Sunday.

MATCH OF THE YEAR

Next Sunday will see the top match of the season when Newport meet Sunshine to decide this season's premier team in the Victorian Summer Baseball Association.

Even though Sunshine has defeated Newport twice this year, there has been very little between both sides and the improvement shown by Newport over the last few weeks should allow them to go on and take off the title.

The game starts at 2 p.m. at Wright Street Reserve (opposite Albert Park Lake behind South Melbourne Tech).

When going to press it had not been decided as to whether the match was to be televised or not but it seemed almost certain it would be, so those people unable to attend the match may be able to view it on TV.

WINTER PRACTICE

Winter base for practice for seniors (at Newport Sports Oval) and juniors (at Digman Reserve) is at 9.30 a.m. on Sundays and all present and intending players are urged to come along now.

STARS SAINTS and SINNERS

BY RON COLEMAN.

At last we're swinging again with our second S.S.S. Dance, but this time we are operating at the Laverton Memorial Hall, in order to increase S.S.S. membership in Laverton.

However, as the dance will be running non-stop from 8 till 11.30 p.m. this Saturday night, you shouldn't have any trouble catching a train or taxi there.

Groups featured will include US WOT MOTIVATE and THE KULT and admission is 50c (40c to S.S.S. members).

For all of you boys we are hoping to import females from the WRAAF base at Point Cook.

Both The Kult and Us Wot Motivate will include a new member, for The Kult have replaced Brian Gardner with a new lead guitar, while US Wot Motivate have the addition of a bass buitar.

So if you're not doing anything this Saturday night GO TO THE S.S.S. LAVERTON DANCE!

SINNERS

Sinners this week are the blokes who swiped an F Holden station wagon last week and drove it into the swamp opposite the Altona Riding School.

There a tow truck under police supervision dragged it out and towed it away.

"BUS STOP 1"

"BUS STOP 1" is the title of this week's dance at Werribee on Sunday night and quite an appropriate one too as the promoters are chartering a free bus for clients from Altona.

The bus will leave the corner of Pier Street and Blyth Street at 8 p.m. and en route to the Centenary Hall it will stop at the corner of Blyth and Maidstone Streets, Altona and the Geelong Highway in Laverton.

Last Sunday night the feature group were MASTERS APPRENTICES, a top group from Adelaide and the NEW CHANGING TIMES. The latter group has a

female organist and this craze must be catching because the GRAPE ESCAPE had the same gimmick.

On April 2 THE GROOP will be played at Werribee and that is sure to be a sensational night.

Instead of a Sunday night dance over the Easter weekend the promoters have decided to make it a Saturday night so you can give those city disco's a rest.

Incidentally the free bus WILL also bring you back to Altona each Sunday night at 11.30 p.m. So see you at "Bus Stop 1" (Sunday night).

KILMORE RODEO

Following up our story on "Bonga" Hobbs last week I think it's safe to say that "Bonga" is now an OPEN CIRCUIT rider after his performance at Kilmore last Monday.

Unfortunately we didn't get the results, but we know that "Bonga" was placed second in the Saddle Bronc Ride for permit members.

Hero of the day was little Jim McGuire from Taroon, Queensland, who, riding with a bandaged leg, struck fence after fence, but competed in all five events.

Jim, who holds the Australian Calf Roping record, was placed second on Monday in the Open Saddle Bronc, and first in the Brayma Bull Riding.

Laverton rider Don Catchpole, riding "Slipstream" in the second division of the Bronc Ride, put up one of his best performances yet, but was disqualified after losing a stirrup iron.

Making a comeback in Bull-dogging and Roping was George "Knocker" Marsh, of Altona North, who rode very well considering his age.

Also from Altona were the Peel Brothers. Stan Peel only entered Roping as he cut his hand badly recently. His brother "Pip" Peel, did quite well. He roped his calf in the Roping, but unfortunately found it a bit too heavy to throw. He also brought down a steer in the dogging.

HOLIDAY CAMP

Are you looking for somewhere to go over the Easter holidays? Then why not try "Noonameena?"

This private and underminal camp is open for all children between the age of eight and 16 years and young people from the age of 17 upwards and is situated in picturesque surroundings on the foothills of Mt. Buffalo, National Park.

Camp activities vary with the change of season and cater for the different age groups attending. The include a conducted coach tour of Mt. Buffalo National Park with barbecue lunch provided and further tours to places of interest, hops, tobacco, dairy farms, Harrierville gold mines, Kiewa Hydro-electric Scheme, etc.

Archery, swimming, ski-ing, bush walking, horse riding, buggy and sulky rides are but a few of the physical aspects of camp life, while social events such as sing-songs, concerts and camp fires round off a day's program.

For further details contact—Mr. D. O. Usher, Director, "Noonameena," C/- "Waldara," Wangaratta, Victoria. Phone: Wannandary 218.

CALLING WRITERS

For those of you who are interested, the Young Liberals Movement of Victoria is conducting a script writing competition in connection with an annual revue commencing on September 29.

It carries a prize of \$20 and is open to anyone regardless of experience. Scripts will be judged on their topicality, originality, dialogue and construction and should be submitted to The Secretary, Young Liberals Movement of Victoria, 8th Floor, 108 Queen Street, Melbourne, Cl.

Slot Car News

NEV reports that the lap record of eight seconds at his slot car track has finally been broken by Altona's Jack Brababout \$10 perparing his vehicle ham, alias Jock Sturrock.

Jock, who apparently spent for the ordeal, managed to break the record with the fast time of 7.9 seconds and in so doing won a free half hour drag session.

Neve advises that the record can still be broken and a free half hour on the track will be given to the lucky driver.

CHUCKLE

A man stood on a street corner waiting in vain for the heavy traffic to thin out so he could cross. Finally, as he was about to take his chances, he spied a man on the other side and called to him, "Say, how did you get over there?" The other man cupped his hands to his mouth: "Easy," he shouted, "I was born over here."

Free Ride

A free hour's ride on the horse of his/her choice will be given to the first member of S.S.S. who presents their membership card at the Lakeside Riding School, Altona West, this Saturday morning.

The school is situated opposite the Koorringal Golf Course, where the shire pound used to be.

TABLE TENNIS FINALS

Last week witnessed an interesting series of semi-final contests at the Western Suburbs Table Tennis Centre, Garden St., Williamstown, and this week, matches now in progress will decide the premiership in 12 grades.

Thus will conclude a very successful summer season for 1966-67. A brief respite only will then ensue while officials of the Association prepare for the winter pennant season, which is to commence in April and continue until September. In July the Association will conduct its annual series of championships, and later, a series of handicap events.

From its inception just over 30 years ago, table tennis has advanced considerably in the western suburbs area. Players now come from every suburb in the region, and indications to date are that the 1967 winter season will break all records for numbers of teams and players.

Inquiries in this regard should be made at the Centre, 65-6863, or secretary Ron Arnott, 74 Poole St., Deer Park (393-1663), president Des Jones, 47 Paget St., Glenroy (306-5357).

Altona teams in finals this week are—

C2.—Melbourne Harbor Trust v. Grieve Highwaymen (G. Lewis, E. Milner, N. Wynn).

D3.—Altona Working Men's Club (Trudy Reissmann, A. Raymond, S. Pow, G. Camilleri) v. Newport Rovers (S. Douglas, T. Dunne, K. Burke, I. Cahoon).

Altona Win C Grade Cricket Semi-Final

Altona and Spotswood Imperials fought out a very close and thrilling semi-final in the Williamstown, Altona and Footscray District C Grade semi-final.

Altona won the toss and batted first, and from Chapman's first over the openers, Ray Duckett and Kevin Flett, took 13 runs.

Jim Cairns, bowling well for Spotswood Imps., took two quick wickets to dismiss the openers. The Altona batsmen had to battle hard for runs and even though no one was able to get going each man contributed some small score and with determined batting, carried the score to 108.

Joe Mildenhall batted well and just when he appeared to be settled in, he lost sight of a ball and was run out.

Spotswood Imps batted and got off to a fair start, but they couldn't get on top of the bowling of Dick Conradi, who bowled throughout the innings to finish with 8/39.

Spotswood at one stage were 6/46, but the tail batsmen were able to carry the score to 92, leaving Altona 16 runs ahead on the first innings.

Altona had 30 minutes to bat before the end of play on the first day and just when Duckett and Goucher appeared to be untroubled Goucher gave a catch to slips and Altona were 1/20. Ron Cook came in as night watchman and was out leg before wicket for none, and Altona went to 2/29.

Joe Mildenhall batted next and Altona finished the day without further loss.

The second day started with Joe Mildenhall and Ray Duckett going along nicely picking up runs and in no trouble at all, when Mildenhall was unfortunately run out for 13 to make Altona 3/51.

Young Kevin Flett came in and batted with plenty of determination and put on a valuable partnership of 43 before he was out bowled for 20. Altona were now 4/94.

Barry Critchley, suffering from nerves, was beaten by a slow ball from Cairns and was out lbw for two. Max Stevens was run out before he could settle in and Dick Conradi was clean bowled for none to make the Altona score 7/105.

Jack Blockerus came in and another valuable partnership of 38 was added before Blockerus was out for nine and Altona was 8/143.

Captain Ray Duckett scored a much needed 76 and with runs from the tail enders, Altona were all out for 153, leaving the Imps. 170 runs to get to win the match.

Altona started sensationally when the big arm of Dick Conradi, bowling the first over, clean bowled Bray with his first ball and he bowled S. Knight in the same over. Spotswood Imps. were 2/2.

Ken Martin opened at the other end and had Valentine caught for one. With these two bowlers going well Spotswood Imps. were soon 5/22.

Dick Conradi was taken off for a well-earned rest and Ken Martin given a spell and then the Spotswood batsmen, with nothing to lose, started to hit out and pile on the runs to bring the score close to Altona. The seventh wicket stand between J. Knight and N. Peel put on 50 runs. Dick Conradi was brought back into the attack and had Peel well caught for 35.

Jim Cairns hit out and scored 22 before Darrel Goucher clean bowled him. Conradi, now very tired, bowled J. Knight for 46

and with the Spotswood tail enders throwing the bat at every thing they finished up with 146 runs—just 23 runs short of Altona's score.

Great credit must be paid to the Altona bowlers, particularly Conradi and Goucher, for the way they fought it out to the very end. They were well supported by Ken Martin and Joe Mildenhall.

FOOTBALLERS NOW IN TRAINING

Altona had its first practice match last Saturday, held between two sides from Altona Football Club players. Although the day was hot and windy, the players were keen to get into top gear, and the standard generally was good.

Two regulars in Mal Tisdale and Jim Rielly, had an interesting tussle in the centre, both providing plenty of drive to their respective sides. Big John Peterson and Les Wenlock, opposed to each other in the ruck, were even on the day and both seem set for a bumper year.

Austin Malloy was a busy rover, as was his opponent in Barry Hogan. Phil McLean was positive and played with dash.

A pleasing feature of the game was the form of Billy Thompson (up this year from the Under 18's), a fast mover with a nice spring. Billy kicks either foot and has a lot of natural ability.

Another player up from the Under 18's to do well was Mike Allen. Kevin Murphy showed dash when resting in a back pocket. Newcomer Ron Pritchard, stationed at full back, showed plenty of courage and broke up attacks with vigorous defence.

The committee felt well satisfied with the standard of a first practice match.

PRACTICES

NEXT SATURDAY, at 2 p.m. practice match between Altona players.

EASTER SATURDAY: No practice match.

SUNDAY, APRIL 2: Altona will take two teams to Cartlemaine to play practice matches. The committee were fortunate in being able to arrange matches against this club, who play in the strong Bendigo League. The departure time will be 9.30 a.m. sharp from Melletts corner.

APRIL 8: Two practice games against Deer Park. First one timed to start at 1 p.m. sharp.
